IIMA
विद्याविनियोगाद्विकास:
INDIAN INSTITUTE of MANAGEMENT AHMEDABAD

Invites applications for the position of

Research Associate/Senior Research Associate under Prof. Saral Mukherjee

Interested candidates are encouraged to apply for the position of Research Associate/Senior Research Associate working with Prof. Saral Mukherjee. The RA is expected to work on a variety of consultancy projects and case writing related to the domain of multi-sided platforms, operations and supply chain strategy, project management, marketing-operations interface and business strategy.

A typical consulting project could involve operations strategy review, supply chain redesign to improve customer service, quality and cost performance and would look at inter-functional linkages between sales, marketing, operations, finance etc as well as operational issues related to procurement, production, logistics and supply chain domain. Case writing projects are related to operations strategy, multi-sided platform businesses and e-commerce marketplaces.

Responsibilities of the RA

The RA will conduct high-quality research including literature search, field data collection, visits to companies and sites to conduct data collection, interviews and research, data analysis, and scientific writing and case writing. The RA is expected to support the faculty in case writing and pursue research in cooperation with companies and publish research results in journals. The RA will provide support in the education programs and workshops as and when needed.

Required Qualifications & Skills

The RA should be a graduate or post-graduate or doctorate in any management-related discipline. Candidates with prior experience in writing case studies or candidates working as faculty in a management institute or candidates who have authored/co-authored relevant research articles would be preferred. Candidates should possess excellent written communication skills. Compensation would be commensurate with qualification and experience and as per IIMA guidelines. A Senior Research Associate position may be offered to candidates with PhD who have relevant post-degree research experience.

Compensation: Compensation will commensurate with the qualification and experience and will be as per IIMA guidelines.

Duration and Location

The position will be initially offered for an initial period of 12 months and may be extended depending on performance. The position is based in Ahmedabad (exceptions can be considered for highly-qualified/experienced candidates). IIMA provides access to the library and computer centre for all Research Assistants. If selected, the candidate is expected to manage their own accommodation outside the IIMA campus, which is centrally located within the city of Ahmedabad.

Application and deadline

Interested candidates can apply along with their detailed CV and a sample of writing (any report/article/case study etc.) to Ms. Vaishali Joshi (exec-secretary11@iima.ac.in) before December 15, 2026.
