PGP Summer Placement 2024-2025 - Pre-Process Release

IIM Ahmedabad

Dear all,

Greetings from IIM Ahmedabad!

The Summer Internship Recruitment Process 2024-25 for the PGP program of IIM Ahmedabad begins on 12th November 2024. As you might be aware, IIM Ahmedabad follows a cluster-cohort-based placement process wherein companies offering similar profiles are grouped into cohorts, and several cohorts are invited to the campus in a particular cluster. To create a more accessible environment for recruitment, **the institute is going forward with the hybrid mode of placements. Companies can visit the campus or conduct the process online, based on their convenience.**

The schedule for the same is as follows:
Cluster 1: 12th November 2024
Cluster 2: 15th November 2024
Cluster 3: 18th November 2024

The institute will follow a rolling process post-Cluster 3, if necessary.

The Summer Internship Recruitment Process 2024-25 for the **PGP-FABM program** of IIM Ahmedabad is scheduled for **12th November 2024** and will **follow the same schedule** as the **PGP** program. The institute will follow a rolling process after that, if necessary.

We understand that there will be considerable interest among your readership across India and abroad regarding the placements at IIM Ahmedabad. Therefore, we will continue our policy of proactively contacting the media by issuing a press release following each cluster. This will be released on the IIMA website around 10:00 PM on each cluster day mentioned above for Clusters 1 and 2. The Cluster 3 report and the Consolidated report will be sent together. The reports will be accessible at the following link -

https://www.iima.ac.in/academics/media-releases

The press release will contain important details and the highlights of each cluster. We continuously strive to achieve greater transparency about the placement process and will provide as much information as possible. To ensure more transparency, IIMA introduced the *Indian Placement Reporting Standards (IPRS) in 2010.*

We request your cooperation in conducting a smooth and transparent recruitment process. The Placement Committee will be extremely busy managing the process throughout the day, so we will not be able to answer individual media queries. Kindly wait for the official press release in the evening containing authentic information. We earnestly request that you **refrain from trying to gather information from unofficial sources,** as it will only lead to misinformation and speculation.

In case of any urgent queries, please contact **Aban Dodum Padung, Placement Media coordinator** (only after 10:00 PM on Placement days) at +91 6009954021, p23aban@iima.ac.in or media.placement@iima.ac.in.
