PGP Summer Placements 2025-26 (Cluster 3)

IIM Ahmedabad

4th November 2025

Ahmedabad

The third cluster of the Summer Placement process for the PGP class of 2027 was held on 3rd November at the Indian Institute of Management Ahmedabad. The firms that participated in Cluster 3 comprised of fourteen cohorts – "Consumer Technology", "Niche Consulting", "Gaming and Sports", "Consumer Electronics", "Enterprise Technology", "Banking & Insurance", "Analytics & IT Consulting", "Core Manufacturing & Infrastructure", "Education Technology", "Renewable Energy & Green Technology", "Social Enterprises & NGO", "Government Enterprises", "Logistics", "Real Estate" and "Food & Dairy".

The process was conducted in hybrid mode with companies joining in through online as well as offline mode.

The cluster saw a large pool of opportunities with more than 90 roles offered from firms across the cohorts. Prominent recruiters in the Enterprise Technology cohort were Adobe, Apple, Microsoft, Media.net, Salesforce and Sprinklr among others. Tata Consultancy Services led with number of hires in the Niche Consulting cohort. Firms such as Eternal (Zomato Group) and Ola visited with opportunities in the Consumer Technology cohort and Samsung Electronics in the Consumer Electronics cohort. The Infrastructure & Core Manufacturing cohort saw a boost with participation from Hero MotoCorp, Suzuki Japan and Tata Steel among others.

First time participation from many firms across cohorts indicated the industry's confidence in the institute. Some prominent first time recruiters were Hero MotoCorp (Infrastructure & Core Manufacturing), SKF India (Infrastructure & Core Manufacturing), Eternal (Zomato Group) (Consumer Technology), Ultimate Kronos Group (Enterprise Technology), Apple (Enterprise Technology) amongst many others.

With that IIM Ahmedabad has successfully concluded the Summer Internship Process with 100% placements for the 2025-2027 batch.

The consolidated press release for the placement process will be released in the coming days containing further details.
