- Experience: Prior experience in quantitative methods, including, OR approaches, data analysis and econometric modeling preferred (1-5 years).
- Skills: Strong writing, presentation, and data analytical skills. Proficiency in CPLEX, Tableau, STATA, Power BI, and MS Office.
- Ability to manage surveys, interpret complex data, and work independently.
- Ability to collaboratively work with a high-performance team.

#### **Key Responsibilities (non-exhaustive):**

- Collect, analyze, and interpret data from various sources.
- Organize datasets and manage surveys/market research.
- Use statistical tools (e.g., Tableau, STATA, Power BI) for quantitative and qualitative analysis.
- Develop reports, presentations, and support the creation of predictive models.
- Update the Gold Dashboard on IGPC-IIMA website and handle social media updates.
- Work on research projects and produce articles, policy briefs, reports, and cases.
- Provide editorial support for research and publishing activities.

#### **Details:**

- Number of Posts: 3

- Age Limit: Max. 35 years as of application deadline.
- Compensation: Commensurate with qualifications and experience, and as per IIMA guidelines.
- Tenure: Initially eleven months with potential for extension based on performance.
- Location: IIM Ahmedabad campus

Application Deadline: February 15, 2026

How to Apply: Interested candidates may apply online.
