

e-Mode Post Graduate Programme in Management (ePGP)

2020-22 Batch

IIM Ahmedabad

01 About IIM Ahmedabad

- IIMA - An autonomous institution set up in 1961 by the Government of India in collaboration with Government of Gujarat and the Indian Industry.
- First institute to receive International EQUIS (European Quality Improvement System) accreditation and has maintained it since then.
- Ranks 2nd in position in the National Institutional Ranking Framework (NIRF) India Ranking 2019, by the MHRD, Government of India.
- Globally, the Institute is recognized for its distinct contribution to thought leadership and organizational strategy with its alumni driving growth stories of several international and national organizations world over.

02 About ePGP Programme

<https://www.iima.ac.in/web/epgp>

- **Two-year post-graduate programme (with added flexibility of completion in 3 years) offered on Virtual Interactive Learning Platform (VILP) platform leading to Master of Management Studies (eLearning Mode) upon successful completion.**
- **The course is imparted over more than 850 hours of classroom sessions and project work and provides the participants with leadership skills for the knowledge economy through an innovative curriculum.**
- **The objective of the programme is to impart management education to working professionals and entrepreneurs who are seeking skills and strategies to take their organizations to the next level**

03 Programme Benefits

- Rigorous and blended learning management programme offered by the top B-School of India.
- Award of Master of Management Studies (eLearning Mode) by IIMA.
- IIMA is responsible for the academic policies, course design, delivery, admissions and student evaluation of ePGP.
- Specifically designed for junior, mid, and senior-level working professionals and entrepreneurs with all the flexibility benefits of Virtual Interactive Learning Platform (VILP).

- Sessions at a time and place convenient to the aspirants (VCNow network spread across 27 cities / towns with 39 Study Centres)
- Participants selected through a rigorous process that includes a written test and interview.
- Quality interactions with experienced professionals and peer group learning.
- Classroom modules will be conducted in the IIMA Campus at different time-slots.
- Award of IIMA Alumni Membership.

04 Programme Pedagogy

- **Highly interactive teaching approach using the technological capabilities of the Programme Partner (VCNow)**
- **The pedagogy will be a blend of lectures, case studies, online lectures, projects, peer-to-peer learning, self-learning and simulations.**
- **Mentoring by faculty and access to learning resources of IIMA.**
- **Uninterrupted technical support in conducting online classes, attendance, quizzes by technology partner (VCNow).**

05 Programme Eligibility

<https://www.iima.ac.in/web/epgp>

- **Working Professionals and Entrepreneurs with a minimum of 3 years' full-time work experience (after completion of graduation) as on March 31, 2020.**
- **Minimum Age 24 years and above as on March 31, 2020 (born on or before March 31, 1996).**
- **Holding at least a Bachelor's Degree/CA/CS/ICWA, with at least 50 percent marks in aggregate or equivalent CGPA, awarded by any of the recognized universities.**

06 Admission Criteria

<https://www.iima.ac.in/web/epgp>

- Valid CAT score (a valid CAT score of test taken within the last 3 years i.e. 2017, 2018, and 2019) or GMAT /GRE score (a valid GMAT / GRE score taken within the last 5 years i.e. April 01, 2015 to March 31, 2020) will be considered for shortlisting. The earliest acceptable GMAT/GRE test date for the two rounds are – April 01, 2015.
- Alternatively, applicants will have to take IIMA Admission Test (IAT).
- Shortlisted candidates (on the basis of score obtained in CAT / GMAT / GRE /IAT) will be invited for personal interview at IIMA campus or other cities decided by Institute.

07 About

IIMA Admission Test (IAT)

- In case, if the candidate has not appeared in CAT/GMAT/GRE, then he/she has to appear into a separate test also known as IAT (IIMA Admission Test, i.e. a replica of CAT specifically conducted for admission into ePGP Programme of IIMA).
- IAT is a computer-based test of 90 minutes duration and will be conducted across India through our [study centers](#).
- IAT follows the same question pattern & style that of CAT (Common Entrance Test).

08
