B. Academic Record

Notes about the marks obtained:

a. Percentage of marks of an applicant who is yet to complete the bachelor's degree will be computed based on their available marks.
b. For a candidate having cleared CA/ICWA/CS or Fellow of the Institute of Actuaries of India (FIAI) without having a bachelor's degree, the aggregate final percentage of marks of all the levels examinations obtained and as entered in the application form would be treated as their available marks.
c. For computing the AR score of an applicant, underline scores in all subjects that appear in their mark sheet of 10th and 12th Std. examinations will be considered underline irrespective of whether the board considers them for calculating the percentage.
d. For the bachelor's degree, the percentage of marks awarded by the candidate's institution/university will be treated as final. If the institution/university does not award the percentage of marks, it will be calculated on the basis of the marks obtained in all the subjects listed in the mark sheet.
e. For the bachelor's degree, if the percentage of marks awarded by the candidate's institution/university does not take into account marks obtained in all the subjects as mentioned in the mark sheet (s) for all the years, the candidates must

produce a certificate from the principal/head of the department/registrar/director of the institution/university certifying details of the practice at the institution/university at the time of the interview, if shortlisted for the same.

f. If any board/institution/university awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the board/institution/university specifying the equivalent marks which should be used for filling the application form. The original equivalence certificate needs to be submitted at the time of the interview if shortlisted for the same.

g. For candidates having undergone/completed an integrated master's degree or dual degree directly after their 12th/HSC, the percentage of marks obtained as per their institute/university norms which is considered as equivalent to bachelor's degree will be considered. For those undergoing (yet to complete) an integrated master's degree or a dual degree directly after their 12th/HSC, the percentage of marks, similarly obtained, for the years/semesters completed till the date of application will be considered.

h. Attach photocopies of all your academic mark sheets and certificates.
